Remarks

Applicants have reviewed the Interview Summary (PTOL-413) prepared by the Examiner and agree with the comments therein related to exhibits, claims, and prior art discussed. The amendments discussed were submitted on March 10, 2004, by Applicants in preparation for the telephonic interview. Generally speaking, the amendments clarified that the data records retrieved from the database were from among the data records that populated the database provided by a plurality of observers. Agreement was reached with respect to the proper wording of claim limitations to clarify this point.

Please call Applicants' attorney, Jacob Erlich (617.854.4000) to discuss any outstanding questions.

Dated: April 21, 2004

Respectfully submitted,
